Product Description

The Ezviz CB1 1080P Security Camera delivers clear HD video with a 113° wide-angle lens, making it perfect for home security. Equipped with motion detection, enhanced night vision, and two-way audio, it ensures round-the-clock protection. Featuring a magnetic base, easy installation, and 512GB storage, this camera offers reliable security with minimal setup. Stay connected with the 2.4GHz Wi-Fi and enjoy hassle-free operation with its long-lasting 1600mAh battery.
