Product Description

Dahua DHI-LM22-B201S 21.45" FHD Monitor – Product Description

The **Dahua DHI-LM22-B201S** is a sleek and affordable **21.45-inch Full HD monitor** designed for everyday computing, office work, multimedia viewing, and casual gaming. Featuring an **IPS panel**, it delivers vibrant colors and wide 178° viewing angles, ensuring consistent image quality from almost any position. With a **100Hz refresh rate**, the monitor provides smoother visuals compared to traditional 60Hz displays, making scrolling, video playback, and gaming more enjoyable.

Its ultra-narrow bezel design and sturdy metal base give the monitor a modern appearance that fits well in both home and office environments. The built-in **Low Blue Light technology** helps reduce eye strain during extended use, while HDMI and VGA connectivity ensure compatibility with a wide range of devices. The monitor also includes integrated speakers and an audio output port for convenient multimedia use.

Key Features:

- 21.45-inch Full HD (1920 × 1080) IPS Display
- Smooth 100Hz Refresh Rate
- Wide 178° Viewing Angles
- 250 nits Brightness
- 1000:1 Contrast Ratio
- 5ms Response Time
- HDMI and VGA Inputs
- Built-in Dual Speakers (2 × 1W)
- Low Blue Light Eye Protection
- Ultra-Narrow Bezel Design with Metal Base
- VESA Wall Mount Compatible (75 × 75mm)

This monitor is an excellent choice for users seeking a reliable and budget-friendly Full HD display with smoother 100Hz performance for work, study, entertainment, and light gaming.
