Product Description

Epson LQ2190 Dot Matrix Printer (24-Pin, A3)

The **Epson LQ2190 Dot Matrix Printer** is a high-performance 24-pin impact printer designed for businesses that require reliable, high-volume printing. Ideal for invoices, receipts, multi-part forms, delivery notes, and continuous stationery, it supports A3 paper size and can print up to 5 carbon copies plus 1 original in a single pass.

Built for durability and low operating costs, the LQ2190 delivers crisp text with a 360 × 180 dpi print resolution. It offers multiple connectivity options, including USB 2.0 Type-B, RS-232 Serial, Bidirectional Parallel, and Wired Network, making it suitable for a wide range of office environments.

Key Features

- 24-pin impact dot matrix printing
- Supports A3 paper size
- Prints 1 original + 5 carbon copies

- 360 × 180 dpi print resolution
- Single-sheet and continuous paper support
- USB 2.0, RS-232 Serial, Bidirectional Parallel & Wired Network connectivity
- Low power consumption (46W operating, 3W standby)
- Compatible with Windows XP, Vista, Windows 7, Windows 8, Windows 2000, and Windows 98

Perfect for: Banks, government offices, logistics companies, accounting firms, retail stores, warehouses, and businesses that require fast, reliable multi-copy document printing.
