Product Description

Lenovo LOQ 15ARP11 Gaming Laptop – Product Description

The **Lenovo LOQ 15ARP11** is a powerful gaming laptop designed for gamers, content creators, and users who demand strong performance. Powered by the **AMD Ryzen™ 7 170 processor** and **NVIDIA GeForce RTX 5050 8GB GDDR7 graphics**, it delivers smooth performance for modern gaming, multitasking, and graphics-intensive applications.

With **16GB RAM** and a **512GB PCIe NVMe SSD**, the laptop offers responsive multitasking, fast boot times, quick application loading, and sufficient storage for games, software, and files.

The **15.6-inch FHD display** features a **1920 × 1080 resolution and 144Hz refresh rate**, providing smooth and responsive visuals for gaming and entertainment. The **backlit keyboard** allows comfortable gaming and typing in low-light environments.

Finished in **Eclipse Black**, the Lenovo LOQ 15ARP11 combines a modern gaming design with the performance needed for demanding workloads.
